- 1 Maintenance Cushion
- 1 Dammit® X Ready Mix Slab
- 1 Pair of Gloves
- 1 Disposal bag and tie

Replenishment: A full refill kit is available for this product. Please use code 0370/VEH/1/R. To order further kits, refill sets or packs of individual items please contact us.

Instructions for use: It is important that a suitable and sufficient Risk Assessment is carried out on each incident and correct PPE is worn. Depending on the nature of the spill a combination of the contents of the kit may be used.

Compatibility: The absorbents within this kit may be safely used with all aqueous solutions and liquids immiscible with water, such as hydrocarbons, solvents, mineral oils, **with the exception of strong oxidising agents.**

Before any use in a spill situation a proper risk assessment should be carried out and all hazardous properties of the liquid or dangerous reactions taken into account.

Disposal: Used sorbents may be disposed of by landfill or incineration, in accordance with local and national regulations, taking into account the classification of the liquid absorbed.

Safety Data: Further technical advice is available if required.

Note: All weights, dimensions, and other figures quoted are approximate.
