

Product Summary

1840/FBSB The ultra-tough, lockable vault for storing hazardous chemicals and flammables.

Benefits

- Premium quality, super strong hazardous vault for storing hazardous goods safely and securely
- Durable construction from 2mm & 3mm thick steel with fully welded seams throughout
- Finished in red RAL-3020 using high grade epoxy-polyester powder coating with anti-corrosive undercoat for excellent durability
- Flambank base includes a fully welded 85 litre built-in sump for the safe collection of spillages
- Heavy duty lid secured with anti-jemmy system and 2 x 5 lever deadlocks (supplied with 3 keys) for excellent security
- 2 x hydraulic gas arms to assist with lid opening
- Integral fork lift skids (with fixing holes for optional castors for conversion to a mobile unit, see below)

Colour:	Red
Size:	H x W x D: 127 x 66 x 66mm
