

Product Summary

0119/DD/DHG

Leaking pipes can be annoying, frustrating and potentially dangerous. The Ultra-Pipe Leak Diverter captures leaks from pipes and can route them using a standard hose (not included) to a drain, sink or container.

Benefits

Keep fluid leaks off the floor – eliminate slip hazards and chemical exposure.

Bottom fitting connects to a standard garden hose (optional), allows fluids to be collected in a drum or tank.

Rugged, coated vinyl construction – ships complete with bungee cords and hooks for quick installation.

Colour:	Yellow
Weight:	2kg

Pipe Drip Diverter

Drain Hose
